

Prayers  
by Donald James Tolle

Thanksgiving Prayer

For life, for the right to be  
And to become more than we think we are ---

For value and meaning in life,  
For beauty in nature  
And human spirit,  
For love of family and friends ---

We give thanks on this day.

Amen.

Thanksgiving Prayer, Thanksgiving Day, 1978 -- by D. J. Tolle

---

May we seek the truth sincerely

May we seek the truth sincerely,  
May we understand life clearly,  
May we love each other dearly,  
And bring heaven to earth more nearly.

Amen.
